

TILAPIA WORKSHOP - Friday, 27 March 2020

This Training Workshop will be a unique platform for the tilapia producers, Research Institutions, Government officials, Technology and Service Suppliers, and all interested parties to meet, discuss the challenges faced by tilapia farmers, and learn from each other in an attempt to strengthen and grow the local tilapia sector.

To register to attend: Visit the website <https://www.aasa-aqua.co.za/conferences/>
The workshop is open to conference delegates and to those who only wish to attend the workshop.

Cost: R450 per person – incl. tea/coffee session, lunch voucher and presentations will be made available after the workshop to all Abalone workshop participants.

Time: 08:00 – 17:00

Venue: Con de Villiers Hall, Room A203, JC Smuts Building, Block B, second Floor, Merriman Avenue, Stellenbosch

Enquiries: Henk Stander, hbs@sun.ac.za
