

TILAPIA WORKSHOP

Friday, 15 July 2022

This Training Workshop will be a unique platform for tilapia producers, Research Institutions, Government officials, Technology and Service Suppliers, and all interested parties to meet, discuss the challenges faced by tilapia farmers, and learn from each other in an attempt to strengthen and grow the local tilapia sector.

To register to attend: Visit the website <https://www.aasa-aqua.co.za/conferences/>

(This workshop is open to conference delegates and to those who only wish to attend the workshop, who can register by emailing registration@aasa-aqua.co.za)

Cost: **R500 per person** – including tea/coffee session, lunch voucher and presentations will be made available after the workshop to all Tilapia workshop participants.

Time: **08:00 to 17:00**

Venue: Room A203, JC Smuts Building, Block B, second Floor, Merriman Avenue, Stellenbosch

Enquiries: Henk Stander hbs@sun.ac.za
